

REMARKS/ARGUMENTS

Claims 1 and 2 have been rejected under the judicially created doctrine of double patenting in respect to US Patent No. 6666543, US Patent No. 6,588,882 and USSN 10/713095

Applicant has filed herewith a terminal disclaimer in respect of these patents and application.

As the double patenting issue was the only issue raised in the Office Action, Application respectfully submits that the application is now in order for allowance and further consideration of the application is therefore requested.

Very respectfully,

Applicant:
